Easy to understand, down-to-earth spiritual knowledge for everyone.0 of 0 people found the following review helpful. Five StarsBy Customergreat inspiration for all.5 of 5 people found the following review helpful. Wonderful wonderful book!By A CustomerSimple. FUN. with layers to the book - everytime you read it, it has a different level to it, yet the book never sacrifices its spirit of simplicity and joy. irreverent at times, it makes you think, see things for yourself, not your basic 'ready-made-nirvana-just-read-it' kind of book. no pretensions either.Wise but not stuffy.AND its a good read to boot! Picked it up because of the title [after all anyone who could create a species as contrary as the humans HAD to have a sense of HUMOR!;-)] and its been a favorite since - in both good times and sad.HAVE FUN ALL
